- 7) At the second stop light, turn left onto Colorado Boulevard.
- 8) Take the third right onto Innovation Drive if you are going to our main LSTB building. (If you are going to our SPSC building, you'd take the first right onto Discovery Drive)
- 9) Turn right into the parking lot in front of the LASP Space Technology Building (1234 Innovation Drive), a brick building with a glass facade, observatory domes on the roof, and a satellite dish on the right side. (If SPSC, 3rd right to 3665 Discovery Drive)

* You can also take E470 from Pena Blvd, north/west to Rt. 36 (see map below). It's quicker, but it will cost about \$16 (as of 2013). This may be a good option on the way to the airport to avoid traffic since this beltway is rarely crowded.
