eGY General Meeting, Boulder, Colorado, March 13-14

The 2006 eGY General Meeting will be held at CU/LASP, off-campus in the research park, at 1234 Innovation Drive, on Monday and Tuesday, March 13-14. Maps, directions, and information about ground transportation and local hotels are available [here](#). Parking is free off-campus.

At this meeting we will be identifying activities and developing plans to achieve the goals outlined in the eGY Declaration, in addition to hearing short reports from the Secretariat, International and National Committees, and Working Groups. A reception and dinner will be held on Monday evening. Please join us.
