

Presenter Information

The SORCE Meeting will be at La Posada Resort and Spa in the Montana Ballroom. Check-in for the meeting will begin at the Welcoming Reception beginning at 5:30 p.m. on Monday, February 4. The meeting will begin at 8:30 a.m. on Tuesday, February 5. The meeting will conclude at approximately 12:00 noon on Thursday, February 7.

Presenter Information

ORAL -- Presentation equipment includes an overhead projector, a computer projector, and portable computers (Mac and PC). The computers will have the latest versions of PowerPoint. There is a USB Port and CD drive available. There will also be a laser pointer available for your use.

The length of your talk (including discussion) is on the final agenda. To save time during the meeting, it would be great if you could supply Vanessa George with an electronic version of your presentation in advance of the meeting (by Jan. 30). This would be extremely helpful to avoid fumbling around with computers during a session. Of course, be sure to bring your own copy to the meeting as well.

An important goal of the SORCE meetings is to foster interdisciplinary exchanges amongst scientists with quite different backgrounds. For this reason we very much encourage speakers to begin their talk with at least a few basic, introductory "tutorial" slides that provide general scientific background and context for the audience. We found that this approach was very well received at the last meeting.

POSTER -- Posters can be set up beginning Monday evening at 5:30 p.m. in the Montana Ballroom. They will be on display Tuesday and Wednesday, Feb. 5-6, with a special Poster Sessions late Tuesday afternoon. Posters will be attached to the meeting room walls in an assigned space. Posters will each be given up to a 6 feet wide x 4 feet tall area (1.8 m x 1.2 m). Materials will be attached to the meeting room walls with special tape, which will be provided for you. Push pins are not allowed.

If you have any questions, please contact Vanessa George, vanessa.george@lasp.colorado.edu.
