GROUND TRANSPORTATION

DIA to and from Boulder:

A variety of ground transportation services to and from DIA is available, including scheduled door-to-door shuttle van service, RTD Skyride buses, limousines, taxicabs, and rental cars. For additional information, check

<http://www.flydenver.com/gt/index.asp> or telephone the DIA Ground Transportation Information Counter at 303-342-4059.

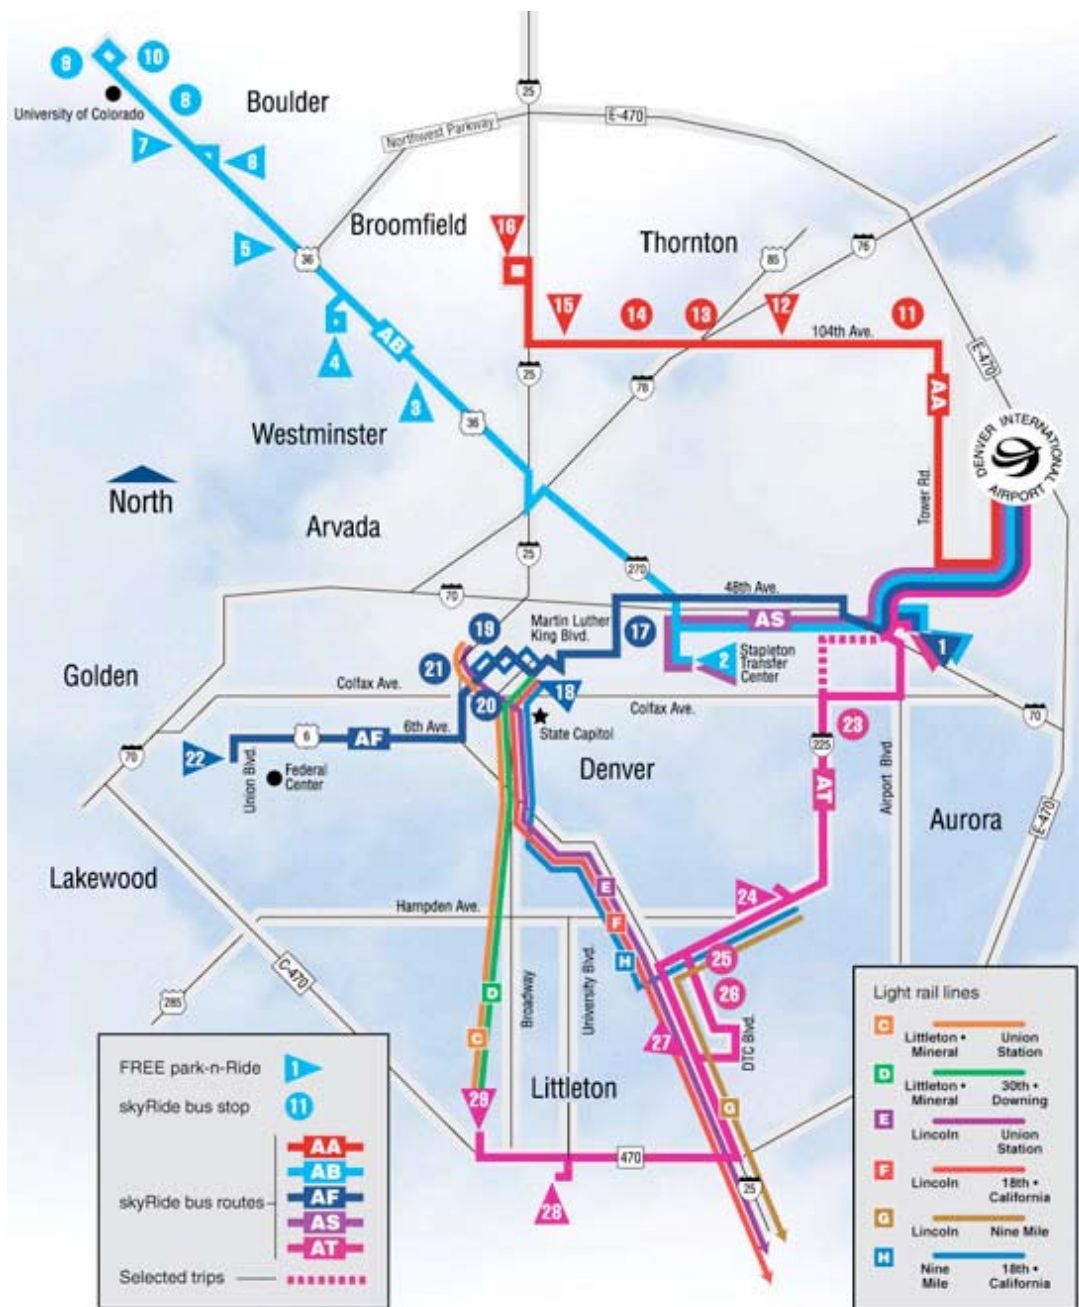

Here's our short list of options:

- **Boulder SuperShuttle** 303-227-0000
Internet: www.bouldersupershuttle.com

SuperShuttle blue vans provide hourly service from DIA directly to Boulder hotels. To take the shuttle from DIA, purchase a ticket at their booth, located in the main terminal at Level 5 – baggage claim. An advance reservation is not needed; boarding is on a first come, first served basis. You must, however, make an advance reservation to take the SuperShuttle from Boulder back to DIA. Cost is around \$22/person for one-way ride to a hotel, or \$28 one way to a residence. Small discount for round-trip.

- **RTD Skyride** 303-299-6000
Internet: <http://rtd-denver.com/skyRide>

Public transit bus service runs from DIA to Boulder every day, leaving DIA hourly from 6:15 am to 11:20 pm. Check at the Ground Transportation desk at DIA, in the main terminal near the fountain. A one-way ticket is \$10, and a round-trip ticket is \$18 (as of 2005). Travel time is about 1 hour and 30 minutes with no transfers. (Allow an extra hour if the weather is bad.) The bus route ends at the Boulder Transit Center on 14th Street and Walnut. Catch a taxicab from there to your hotel. (Yellow Cab 303-777-7777)

Rental Car

Denver International Airport has contracted with 10 rental car companies to provide service to their customers. All the companies provide courtesy shuttle service to their facilities and have service counters located in the main terminal, baggage level 5. Travel time from DIA to Boulder is approximately 60 minutes by car, traffic and weather conditions permitting.

DRIVING DIRECTIONS FROM DIA TO BOULDER/LASP

- 1) Exit the airport by following Pena Boulevard south (the only option).
- 2) At approximately 10 miles, Pena Boulevard ends. Take Interstate 70 WEST towards the mountains and Denver. *
- 3) Go about 6 miles, then merge RIGHT onto I-270 towards Boulder and Fort Collins.
- 4) After 4 miles, I-270 ends. Follow the merge to Boulder, US 36.
- 5) Go 25 miles on US 36 to the first Boulder exit – Foothills Parkway/Table Mesa. Exit to the right, then immediately take the left fork to Foothills Parkway (CO 157).
- 6) At the second stop light, turn left onto Colorado Boulevard.
- 7) Take the third right onto Innovation Drive.
- 8) Turn right into the parking lot in front of the LASP Space Technology Building (1234 Innovation Drive), a brick building with a glass facade, observatory domes on the roof, and a satellite dish on the right side.

* You can also take E470 from Pena Blvd, north/west to Rt. 36 (see map below). It's quicker, but it will cost about \$6.00 (as of 11/06). This is a good option on the way to the airport to avoid traffic since this beltway is rarely crowded.
