- Must contain at least 1 digit
- Must contain at least 1 lower case character
- Must contain at least 1 upper case character
- Must contain at least 1 special character: (`~! ?<> , . / \ ; : @ # \$ % ^ & * _ + =)

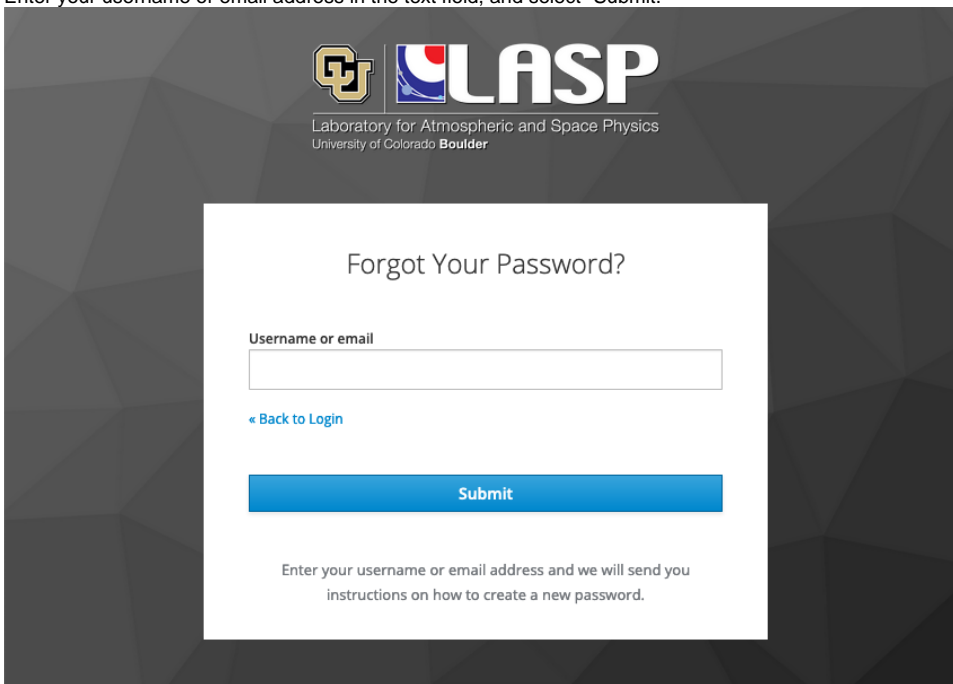

How to Reset Your Password

1. Please visit your [Account Management Page](#) and click "Forgot Password?".

The screenshot shows the LASP (Laboratory for Atmospheric and Space Physics) website. At the top, there is a logo for the University of Colorado Boulder and the LASP logo. Below the logo, the text "Laboratory for Atmospheric and Space Physics" and "University of Colorado Boulder" is displayed. The main content area is a white box titled "Log In". Inside this box, there are two input fields: "Username or email" and "Password". Below the "Password" field, there is a link labeled "Forgot Password?" which is circled in red. At the bottom of the white box, there is a blue button labeled "Log In".

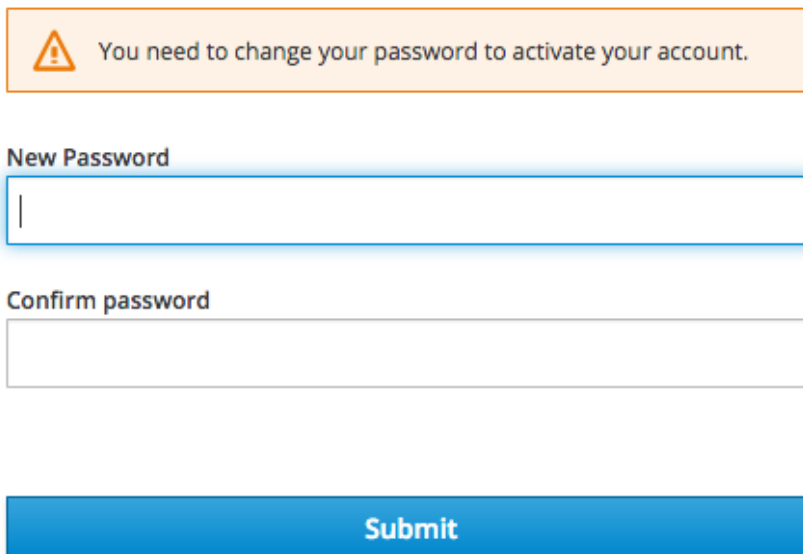

2. Enter your username or email address in the text field, and select "Submit."

The screenshot shows a web page for the Laboratory for Atmospheric and Space Physics (LASP) at the University of Colorado Boulder. The page has a dark background with a geometric pattern. At the top, there is a logo for CU Boulder and LASP. Below the logo, the text reads "Laboratory for Atmospheric and Space Physics" and "University of Colorado Boulder". The main content is a white box titled "Forgot Your Password?". Inside this box, there is a text input field labeled "Username or email". Below the input field is a blue link that says "« Back to Login". At the bottom of the box is a blue button labeled "Submit". Below the button, there is a small text block that says "Enter your username or email address and we will send you instructions on how to create a new password."

3. The system will send you an email with a link to reset your password.
4. The link in the email will take you to a site where you will be prompted you to create a new password. **Enter** and **Confirm** your new password and select "Submit".

Update password

The screenshot shows a web page titled "Update password". At the top, there is an orange warning box with a triangle icon and the text "You need to change your password to activate your account." Below this, there is a text input field labeled "New Password". Below the "New Password" field is another text input field labeled "Confirm password". At the bottom of the form is a blue button labeled "Submit".

5. If you wish, navigate back to the [Account Management Page](#) to login and verify your password has changed.
