Names:

Directions: With your group, decide what you want to research when you go to Mars. Then, decide what you would need and want to bring to Mars in order to live and work. Record your group's ideas here (continue on next page if you run out of room).

On Mars, I would like to research:

I will...

Need	Want

Need	Want

When I land on Mars and first go outside my spaceship...

I will need to bring...

I will wear...

I will feel....

I will see...

I will notice....

Draw a picture of yourself on Mars below:
