

Welcome to the
Planetary Rings Workshop

Housekeeping Announcements

Laura Bloom

Restrooms

- Go left around the reception desk
- Walk to the far wall and go right at the back hall
- There are some just around the corner and some more at the end of the hall

Lunches

- Today and tomorrow you are on your own.
As soon as we break for lunch on today, we will gather out front for a group photo.
- Friday is a catered lunch here (there are vegetarian and gluten free options)
- See restaurant lists and maps in your program and/or handouts on table. There are just two restaurants within a 15 minute walking distance but neither can hold the whole group. There are many in the 29th Street Mall. Parking at 29th St. can be difficult. We recommend you park in the underground lot. And, there are more on Arapahoe Ave between Folsom and 28th.

Dinner

- If you registered and paid for group dinner, we'll see you at Cantina Loredo at 6:30.
- Address and maps are toward the back of your program. It's about a 15 minute walk from the Millennium hotel.
- You will order from a choice of five entrees. Soft drinks, chips & salsa and dessert are included. If you have dietary restrictions, please tell your waitperson right away.
- It's a cash bar so order, pay, and tip your wait staff for alcohol separately.

Presentations

- Please begin your presentation's file name with your last name.
- We will collect them during the breaks.
- If you are presenting from Larry's computer, you can copy it into his Rings Workshop Folder.
- Otherwise, please bring it to me on a USB drive (please tell me the file name if there are several items on the drive)
- If you do not have a USB drive, please put it on mine (It will be passed around on a stuffed puffin).
