UNCORRECTED PROOF COPY

## The Northern Lights

Dear Alex,

Your articles on Birneland were amongst the earliest things I read on our misunderstood Professor and were a great inspiration to me. Your generous help for this book has been hugely appreciated.

Thank you.

Lucy.

Dear Alex,

At last, the proof copies have arrived - I am sending yours forthwith. The real thing, hardback and corrected, will be published on May 10th in the UK and November in the US.

I am hosting a party on May 10th in London, to thank all the people who have helped me write the book - or at least, helped me research it and corrected my many mistakes, and I would love it if you happened to be in the U.K. and could come. I know it's a long shot, but I shall send you party details via email soon just in case.
